UFUOMA OGHENECHOVWE

+2347014465165 • rukkiechowe@gmail.com • linkedin.com/in/rukkiechovwe

I'm a creative frontend developer with 2+years of experience in working with diverse and talented teams to deliver exceptional web experiences that are both visually appealing and technically demanding. I am also committed to staying current with the latest trends and technologies in web development. I enjoy being able to see the end product of my work and how it positively impacts the user-experience.

SKILLS

Languages: JavaScript/TypeScript.

Frontend: HTML/CSS, React, Nextjs, Vue, Styled-components, Tailwind Css, Chakra UI, Material UI.

Tooling: Git, Github Action, Cypress.

Others: REST API, Graphql, Firebase, Figma.
